RULING ON ENTITLEMENT¹

Dorsey, Chief Special Master:

On November 30, 2015, petitioners filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioners allege that their daughter M.J.P. passed out and fell as a result of receiving her February 18, 2015 Hepatitis A and HPV vaccinations, resulting in dental injuries. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On April 1, 2016, respondent filed her Rule 4(c) report in which she concedes that petitioner is entitled to compensation in this case. Respondent's Rule 4(c) Report at 1. that her injury is not due to factors unrelated to her February 18, 2015 vaccinations.” *Id.* at 2-3. Respondent further agrees that M.J.P.’s dental injury is compensable as a “caused-in-fact” injury under the Vaccine Act, that the case was timely filed, that M.J.P. received a vaccine set forth in the Vaccine Injury Table, that the vaccine was administered in the United States, and that M.J.P. suffered her condition for more than six months. *Id.* at 3.

In view of respondent’s concession and the evidence before me, the undersigned finds that petitioner is entitled to compensation.

IT IS SO ORDERED.
